

## Offer to Services

I am independent and can work flexibly to meet the needs of your organisation. This can be through either a short-term consultancy role (e.g., reviewing your strategy or action plan) or a longer term role (e.g., sustained training staff and CPD). This can be either in person or online.

Please do contact me for an informal chat about your specific needs.

### Overview

- **Strategic work:** Support with the development or review of policies, strategies and action/business plans. Report writing
- **Funding and sustainability:** Sustainability plans; tenders and funding applications
- **Service development:** Practice, procedures, participation, impact, evaluation
- **Research and evaluation:** Support with designing or running research and evaluation
- **Staff training:** On all aspects of young carers, young adult carers, student carers
- **Advocacy and championing:** Awareness raising, service promotion, support with participation activities and ensuring the voice of young carers is heard and having an impact
